At that time, both Jacob WALDEN and Rochel WALDEN asked SA Moriarty and SA Gnall if they were able to provide additional information about the reasons for their outbound inspection and border search. SA Moriarty identified and stated to both Jacob WALDEN and Rochel WALDEN that he worked child exploitation investigations for HSI Newark, and that Jacob WALDEN had been identified as a subject of interest during an ongoing investigation. SA Moriarty further stated that he was interested in Jacob WALDEN's communication with "Rosie Snow" and "Lacie Love". Jacob WALDEN immediately responded that "Rosie" and "Lacie" were not "one person" but a "group" that "went by different names". Jacob WALDEN stated that he went to "rehab" and that his wife was aware of his "issues". SA Moriarty asked Jacob WALDEN if he wanted to speak with SA Moriarty and SA Gnall in a more private area, away from his wife. Jacob WALDEN then responded "yes". Rochel WALDEN then stated that she was aware of Jacob WALDEN's "issues", and that Jacob WALDEN had gone to "rehab years ago". At that time, Jacob WALDEN and Rochel WALDEN's youngest child began to vomit on the outbound jetway.
